

## Woodbridge Pool Club | Membership Application

Thank you for your interest in membership at The Woodbridge Club, a private member-owned pool and tennis club, situated in the heart of Woodbridge, Connecticut.

Since 1946, the club's mission has been to provide an enjoyable and recreational haven for families in the greater New Haven area. The Woodbridge Club is a club away from home and a family-friendly place that provides a relaxed and low-key environment. The club's comfortable atmosphere is a welcoming place for new members and a place to build lasting relationships.

For less than the price of a family vacation, members can enjoy tennis, pickleball, aquatics, and the convenience of a supervised Kids Club.

Members also enjoy social events throughout the year and can book our Clubhouse or Lounge room for private parties at a special rate.

Our tennis facility is managed by one of the top tennis professionals in Connecticut, Chris Raffone. For more than 20 years, Chris and his pros, have worked with players of all abilities through clinics, and fun tennis socials, and offer private lessons for adults and children. The Woodbridge Club also offers a robust aquatics program including a swim and dive team and private lessons.

The membership process is simple, and we offer several membership categories which are noted on the form. Once you fill out the application below, please mail your application and include a \$500 application fee.
